...but you will receive power when the Holy Spirit has come upon you; and you shall be My witnesses both in Jerusalem, and in all Judea and Samaria, and even to the remotest part of the earth."

Pray that God would bless the ministry of these teams, opening the hearts of those who receive the message of the Gospel. Without the Lord's blessing on these trips, they will not have true spiritual success.

Please partner with our teams financially. These trips do not happen without the support of specific giving. If you'd like to support a team, you can do so by writing a check to Mission Bible Church and indicate on the memo line "Team ________." You can also give online to an STM team member via the Missions Donate Form.

Consider joining an STM team! We encourage people who are already being faithful in their local commitments to serve globally.
At Mission Bible Church we understand our Biblical mandate to spread the Gospel locally, regionally, and to the ends of the Earth (Acts 1:8). From local outreach, international pastoral training and Short-Term Missions (STM), this ministry plays a major role in our effort to make disciples.

Whether you want to GO or SEND, each MBC member has the chance to fulfill the Great Commission (Matthew 28:18-20) through multiple opportunities each year. The countries where we send STM teams are chosen with a specific purpose in mind. Our teams are sent to strengthen the local church abroad, encourage and support missionary families, and to learn from ministry partners who serve in foreign countries. STM teams have a long-term impact because they are linked with our partners around the world.
